Caroline Cregan, Assistant Principal

5th 2024

Dear Parents and Guardians,

We are pleased to announce that we will be participating in the NYC Safer Access program for the 2023-25 school year. Safer Access is a program that provides students with a safe and secure way to get to school.

Will you be participating in Safer Access? We encourage all students to participate. Safer Access is a program that provides students with a safe and secure way to get to school. It is a program that is designed to help students get to school safely and securely. We encourage all students to participate in Safer Access.

Safer Access P.S. 184Q is a program that provides students with a safe and secure way to get to school. It is a program that is designed to help students get to school safely and securely.

2024 5th 7th 8:00-8:20 AM, 2:20-2:35 PM. We encourage all students to participate in Safer Access. It is a program that is designed to help students get to school safely and securely.
